Information

Participation Fee

490,00 Euro (incl. VAT)

including course documentation, food & beverages during the course, as well as hotel accommodation for 2 nights. Please transfer the participation fee after receipt of the invoice to the following account:

Deutsche Bank Tuttingen
Account No. 2122000
IBAN DE44 6537 0075 0212 2000 00
BIC/SWIFT DEUT DE 55 603

If payment by credit card is preferred please complete the detailed registration form.

Cancellation Terms

If a participant cancels his/her registration 4 weeks or more before the beginning of the event, the participation fee will be reimbursed in full. After this time and up to 14 days before the seminar begins, we offer to offset the value of the fee by crediting it to another seminar. If this is not acceptable to the participant, we shall charge an administration fee of 10% or at least 30,- Euro. For cancellations made between 14 and 7 days before the event, we reserve the right to charge half the participation fee. The full participation fee will be payable for cancellation after this period or for non-attendance.

The general terms and conditions of Aesculap Akademie GmbH are applicable and can be forwarded on demand.

Horizons of Knowledge

Competence to master the future.

Innovative developments in the field of medical technology, sophisticated new treatment methods, increasingly more stringent requirements for hospital and quality management and, last but not least, a healthy interest in acquiring new knowledge have given rise to an enormous and ever-increasing demand for further and advanced training.

The Aesculap Academy enjoys a world-wide reputation as a leading forum for medical training and answers the demands of physicians and medical staff in OR, anaesthesia, ward, outpatient care and hospital management. The course program comprises a wide range of hands-on workshops, management seminars and international symposia.

Consecutive Winner 2005, 2006 & 2007

2005	FROST & SULLIVAN
2006	FROST & SULLIVAN
2007	FROST & SULLIVAN Global Medical Professional Education Institution of the Year Award

Aesculap Academy courses are of premium quality and are accredited by the respective medical societies and international medical organizations. A scientific advisory board guarantees the perfect selection of speakers and topics.

Program

Normal Pressure Hydrocephalus (NPH)

a comprehensive course on pathophysiology, diagnostics, therapy and clinical outcome

27 – 28 September 2010

Berlin

Introduction

Dear Colleagues,

On behalf of the course directors, the faculty and the Aesculap Akademie, I would like to invite you to come to Berlin to participate in our new and unique course about Normal Pressure Hydrocephalus (NPH).

Especially during the last 10 years NPH has become a much better recognized and understood clinical condition. The number of diagnosed patients is rapidly growing, establishing the demand for clinical standards in patient care and follow up. We would like to share our experience in regard to diagnosis and management with you, discuss cases and patient examples. We will also demonstrate the placement of a gravitational shunt in a live surgery. We will provide special insight into our daily hydrocephalus practice to avoid complications and provide information about the best follow up routine.

The course is designed for general neurosurgeons taking care of the growing number of patients with NPH but also for the experienced hydrocephalus specialist who wants to gain advanced knowledge and discuss sophisticated hydrocephalus issues.

We look forward to seeing you at this exciting course program in Berlin.
Best regards and a warm welcome,

Michael Fritsch

Information

Course Directors

Michael J. Fritsch, MD, PhD

Ernst-Moritz-Arndt-Universität Greifswald, Germany

Uwe Kehler, MD, PhD

Asklepiosklinik Hamburg Altona, Germany

Ullrich Meier, MD, PhD

Unfallkrankenhaus Berlin, Germany

Special Guest

Daniele Rigamonti, MD, FACS

Johns Hopkins, Baltimore, USA

Member of the Faculty

Johannes Lemcke, MD

Unfallkrankenhaus Berlin, Germany

Christoph Miethke

Miethke GmbH, Potsdam, Germany

Course Concept

- Didactic theoretical lectures
- Demonstration of a live surgery with analysis and surgical planning
- Case discussions
- Patient reports

Learning objectives

- Concept and Practice of NPH treatment
- Treatment options and follow-up
- How to deal with complications
- Shunt technology

Program

Monday, 27 September 2010

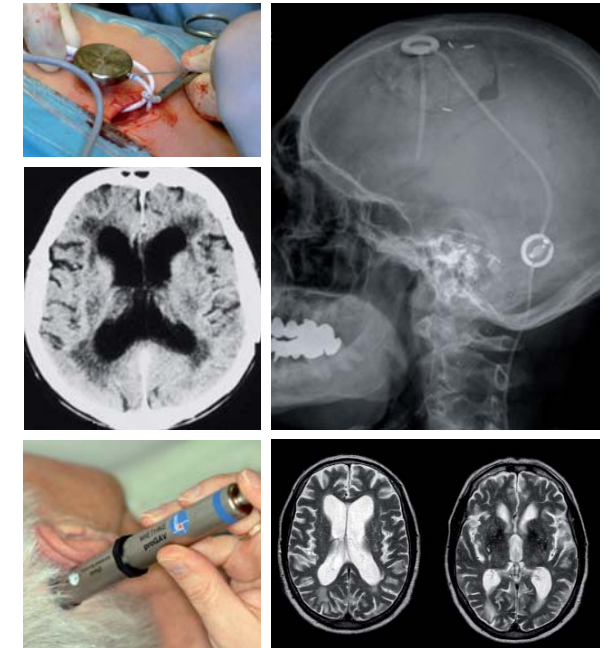

- 09:00 am **Welcome**
- 09:35 am **Epidemiology and Clinical Pictures**
- 09:50 am **History of Hydrocephalus**
- 10:00 am **Pathophysiology**
- 10:15 am **Diagnostic – Part I**
- 10:45 am *Coffee Break*
- 11:00 am **Diagnostic – Part II**
- 11:50 am **Valve technology**
- 12:45 pm *Lunch*
- 01:30 pm **Operation techniques**
- 02:10 pm **Outcome**
- 03:15 pm *Coffee Break*
- 03:30 pm *Transfer to Potsdam*
- 04:30 pm **Factory-Tour Miethke Potsdam**
- 05:30 pm *Social Programm*

Tuesday, 28 September 2010

- 09:00 am **Live-Operation**
- 10:15 am *Coffee Break*
- 10:30 am **Discussion**
- 11:00 am **Follow-Up in practice**
- 12:00 pm **Case Discussion**
- 01:00 pm *Lunch*
- 01:45 pm **Complications**
- 02:45 pm **Summary & Outlook**
- 03:45 pm **Closing remarks**

Case discussions

We would like to ask you to bring some interesting cases for the “case discussion” on Tuesday.
